Innocence

Last seen: early 20's
(Between knowledge and understanding)
D.O.B: 12-02-75

Description: Innocence is known to be found in children, the wise and those at peace with their demons. Gives vision in an uncertain world and ability to withhold judgement of fellow man and sloppy kisses.

Approach carefully! Easily scared off by sudden movements, loud noises, greed, preconceptions, arrogance, failure to face failures. Likes biscuits.
